

## STRATEGIC THINKING COMPETITION

### Competition details

#### Objective

Students will exhibit a comprehensive understanding of strategic decision-making in the hospitality sector by analyzing and applying strategic choices for a designated hotel in Västerås. This hotel will present a specific challenge, prompting students to develop and propose effective strategic solutions.

#### Team & Language

##### Teams

Teams will consist of three students from different schools and different countries and drawn by the jury.

If the number of registered participants so requires, teams of 2 or 4 students will be formed.

This is also possible in one of the following cases:

- Disqualification of one of the participants
- Participants last minute abandonment

##### Language

English (oral and written) is the compulsory language at all the competition phases:

- master classes,
- briefings,
- work plan (written),
- communication with teammates and judges during the different tasks
- presentation

Minimum level of English: B2 (according to AQF).

Immediately after the announcement of the teams' constitution, team members should check whether correct communication in English within the team is possible. If there is serious doubt, the team should report this to the Head Judge immediately. Complaints about language problems will not be accepted after the written test/quiz is launched.
