Hospitality Studies (Cooking & Restaurant Service)

A professional kitchen with stainless steel counters, shelves, and equipment. The kitchen is clean and well-lit, with a tiled floor and a large stainless steel sink area. There are several shelves with various kitchen items, including pots, pans, and containers. A large stainless steel counter runs along the right side of the kitchen, with a sink and a stove area. A large stainless steel cabinet is visible in the background. The overall appearance is that of a modern, functional kitchen.

Our Training Restaurant Kitchens:
